@2023

HI THERE!

Welcome!

Turn this page and fly with us into IV Media's Galaxy.

A company that was born just two years ago. Fueled by the passion and creativity of a seasoned team, we create masterpieces, ignite brands with captivating campaigns, and deliver results that exceed expectations. Every project brims with our passion, and the outcomes speak for themselves. But this is just the beginning. As you turn the pages, let the spark of success ignite within you. Imagine the possibilities!

Your brand's upcoming success story could be featured in the pages of our [2024's Summary Booklet](#).

ABOUT OUR GALAXY

It all began with a dream, a vision of a galaxy packed with creativity and innovation. In January 2022, our fearless cosmonaut captain, Ibrahim Younes, officially opened the doors of IY Media, with a crew of just 5 brave cosmonauts. Together, they embarked on a daring mission, managing a handful of accounts and setting the course for the stars.

Fast forward to today—our stellar team has grown to over 50+ exceptional cosmonauts! From diverse backgrounds and corners of the world, they bring a wealth of talent and expertise to the table. United by a shared passion for the digital realm and a relentless drive for success.

We have gained extensive experience with Meta Ads through 99% highly effective campaigns. “IY Media has proven to be an ideal Meta partner, ensuring exceptional campaign results for all of its Digi-Partners!”.

This is just the beginning of our cosmic journey. We're constantly expanding our knowledge and refining our strategies to deliver the most effective social media solutions for our clients.

A MESSAGE FROM

THE PILOT

Mr. Ibrahim Youness

In January 2022, a dream turned reality, fueled by 10 years of personal growth and a burning passion for social media. It was then that IY Media blasted off, ready to explore the infinite possibilities of the digital universe.

Our mission was clear—to become an international force, to push the boundaries beyond the comfort zone of a single location. Internationality wasn't just an aspiration; it was a matter of fact. We craved the opportunity to collaborate with diverse talent and ignite creativity across the globe.

With hearts pounding with excitement, we embarked on our mission. Little did we know, that within 4 short months, we would raise our flag on the international stage. But this was just the first giant leap for IY Media.

Today, I stand humbled, surrounded by a crew of passionate experts who share the same unwavering dedication. We've achieved significant milestones, but our journey is far from over. We are limitless, forever reaching for new heights. We will continue to dream big, celebrate small and big victories, and relentlessly pursue even greater accomplishments.

Here at IY Media, the stars are our starting point. Join us to explore the boundless possibilities of the digital cosmos, together!

Mr. Muhamed Youness

THE CO-PILOT'S MESSAGE

From the start, I trusted the visionary, our Cosmonaut Pilot, who dared to chase the impossible. Together, we began this journey as explorers, leaving behind what we knew to reach for the stars. Today, IY Media is more than just a dream come true; it shows the power of teamwork. This book is a small token to remember the amazing year we've had and the family we've become. We began as two brothers, but now we're a team of over 50 brothers and sisters. This is what happens when passionate people unite together.

cosMISSION

We act as your celestial navigators, guiding brands through the ever-evolving social media landscape. We are a committed crew of social media cosmonauts, strategically navigating the digital universe to help brands reach new heights. Through data-driven campaigns and innovative storytelling, we craft fascinating experiences that ignite audience engagement and promote rapid growth.

& astroVISION

We see IY Media as the global platform for social media success. We aspire to be the global hub for social media innovation, constantly refining our strategies and pushing the boundaries of what's possible. Our ultimate goal? To partner with brands across the entire digital cosmos, empowering them to tell their stories, captivate and engage with audiences worldwide, and leave a lasting impression on the vast social media universe.

MILESTONES

15 Jan 2022

After ten years of passionate pursuit, a dream became a reality. On this momentous day, IY Media proudly opened its first office in Lebanon, marking the official launch of its social media journey.

10 Jun 2022

Within just six months of launching, IY Media's global ambitions became clear. In June 2022, we secured registered trademarks in London, Hong Kong, UAE, and the USA, expanding our reach beyond Lebanon. This international recognition was a testament to our dedication, attracting clients from diverse nations who entrusted us with their social media and e-commerce success from the very start.

15 Aug 2022

August marked a historic moment for IY Media, highlighting our dedication to excellence. We were honored to become Meta Business's official partners, the first social media agency in Lebanon to achieve this prestigious distinction. This achievement is a testament to our commitment to staying ahead of the curve and delivering exceptional results for our clients. It signifies IY Media as the first Lebanese social media agency to become Meta Business partners.

4 July 2023

Fueled by our success with Meta, IY Media soared to new heights. We not only secured access to the highest level of ad accounts, but also expanded our reach by launching sister companies in Europe and the USA. This remarkable growth further moved us forward, allowing us to partner with industry giants who entrust us with managing their ad accounts.

5 September 2023

IY Media experienced phenomenal growth in 2023. To accommodate this exciting development, we proudly opened two new offices in Lebanon, expanding our presence and encouraging a collaborative environment for our growing team of social media experts.

12 December 2023

In a move that reflects our commitment to client success, IY Media opened its first international office in Dubai in 2023. This strategic expansion brings us closer to our loyal clients in the region, fostering stronger relationships and solidifying the online-to-offline connection we've built over the last two years.

THE FLIGHT PATH

STOP 1

Discovery Call: The assigned team will initiate the first call or meeting with the client to understand their brand, target audience, marketing goals, existing social media presence, and budget.

Brand Audit: The team will assess the client's existing social media channels (if any) to identify strengths, weaknesses, and areas for improvement (SWOT).

Market Analysis: The content creator and the marketer will conduct a general analysis of the client's competitors' social media strategies, targeted audience segment, content strategy, and audience engagement.

STOP 2

Target Audience Research: The team will conduct an in-depth research to gain a deep understanding of the client's target audience demographics, interests, online behavior, and preferred social media platforms.

Social Media Strategy Development: Based on the findings, a comprehensive social media strategy will be created. This will include content pillars, tone of voice, posting schedule, social media platform selection, and key performance indicators (KPIs) for measuring success.

Content Creation: The content creator will develop high-quality, engaging posts, stories, and videos that align with the approved strategy and content calendar. They will also create a mood board for the photography and a visual representation of the overall grid layout.

Content Calendar Creation: A detailed content calendar will be developed outlining the type of content to be posted (e.g., images, videos, articles), topics to be covered, and posting frequency on each platform.

STOP 3

Paid Social Media Advertising: Depending on the client's goals, the team will implement paid social media advertising campaigns to reach a wider audience and achieve certain targets.

We use advanced audience insights and behavior data to identify highly relevant users who are most likely to engage with the business.

We monitor campaigns, analyzing metrics like click-through rates, conversion rates, and cost-per-acquisition. Based on this data, we'll refine targeting parameters, ad sets, and creatives to optimize performance and maximize return on investment (ROI).

STOP 4

Performance Analysis: We provide weekly reports detailing campaign performance, key metrics, engagement levels, and overall effectiveness.

Client Communication: The team will maintain regular communication with the client, providing updates on performance, strategizing for future campaigns, and addressing any concerns.

Strategy Refinement: Based on the data analysis, the team will make adjustments to the strategy, content calendar, and targeting as needed to optimize performance.

BEFORE & AFTER

SMILE LINES TREATMENT

Before vs After

BSLC

- 1 **CLEANSING TOO OFTEN!**
It's really easy to be too harsh.
- 2 **SKIPPING SPF!**
UV rays can cause premature aging even on cloudy days.
- 3 **OVER EXFOLIATING!**
Exfoliating too often can damage the skin barrier.
- 4 **USING HOT WATER!**
Hot water strips your skin of its natural oils & causes dryness.
